PROFESSIONAL PROFILE

Full Stack Web Developer with a solid foundation in the MERN stack (MongoDB, Express.js, React, and Node.js). After Securing a good rank in JEE mains, I secured admission to Delhi Technological University, New Delhi, in computer Science and later pursued full-time web development training at Masai School. I continuously practice Data Structures and Algorithms to strengthen my problem-solving abilities and enjoy collaborating on impactful, team-driven projects that solve real-world challenges.
